Early Years Funding – 15 hours

From September 2024, the Government will introduce 15 hours of funded childcare per week for eligible children aged +9 months.

A maximum of 38 weeks of funding is available per year. The funding is to cover the cost of providing 15 hours of free, high quality, flexible childcare. It does not cover the additional hours, snacks and meals, consumables, activities and additional materials, trips and guest visits and other items that make up our enhanced nursery provision.

Parents must apply and provide an eligibility code to qualify for the 15 hours.
Full fees will be payable for un-funded weeks provided during the year.
